Subject: RE: ETA

Not as of yet Brian – still in queue to image.

I've put a rush on the order...so they're skipping up the line.

As soon as I get word that they're leaving I will communicate the tracking information to you.

Rich

Brian,

We're just waiting on the docking stations from Dell...the notebooks are ready to ship.

I've asked that we get an ETA on Dell's shipment.

Richard
